

Resort Village of Island View

Fire Call Safety Practices

At the January 25th Council meeting there was a discussion regarding the recent fires that we have had in Island View. Many of you discussed having safety measures in place if you see smoke or fire coming from a residence.

Here are some Safety Practices to use:

- Call 911 immediately. **Tell the dispatcher where the fire is and specify that the Strasbourg Fire Department is our first responder.**
- Try to coordinate individuals on the streets to navigate the Fire Dept or Ambulance to fire or emergency.
- Keep away from the Fire Dept/ Rescue Team when they are trying to do their job- this means move all vehicles as stay at a safe distance.
- Please ensure that your street number is visible on your property.

Receiving a call that your house is on fire is devastating! Please be respectful and refrain from taking pictures and videos of such a tragic loss to the homeowner.
