

Welcome to another wonderful lake season. What does lake season mean to you? For our family this is our 15th year at Island View, lake life has blessed us with many new friends, watching our children learn new adventures, laughs and stories around the campfires (can't forget the fishing stories), along with all the wonderful recreation events that take place every year.

When our kids were little there was no playground on Sunset, we then saw a wooden swing added, and now our grandson has a place he can spend many hours playing on new equipment (he loves the slide). We have seen many other additions and improvements take place around the village; a great kitchen area, park benches, lots of playground equipment. None of this could be possible without countless volunteer hours by previous recreation board planning committees and everyone in the community helping out; flipping pancakes or burgers, playing in the bocce ball tournaments, or moving "happy hour" to the beer gardens. It's the time of year that we get to enjoy meeting up with friends new and old, every event we always seem to meet someone new or you realize you know some of the same people – realize just how small our world is.

This year we have a new recreation board in place, we thank the previous board for all the hard work they have done. We will have our Canada Day activities on Saturday, June 29 starting with Pancake breakfast at 9:30 followed by activities for young and old and end the evening with fireworks. A new event that we are excited to bring you this year is Knockerball! Knockerball Regina will be out, the evening of July 20 from 7:30-9:00. What is Knockerball? Knockerball is an inflatable ball with inner handles and shoulder straps that you wear and has been described as the sensation as almost defying gravity, the sensation and mobility that a knockerball allows you to experience without putting any stress on the body. Come out and roll around in a game of soccer or just running around laughing bouncing off your friends. Please note for this event anyone under the age of 18 will require a waiver to be filled out by parent or guardian. This can be done prior to the event on knockerballregina.com under the pay & play waiver. A direct link to our event can be emailed to you upon request to our email islandviewrecboard@gmail.com. We will also be hosting the annual bocce ball tournament on Saturday, August 3. There will only be spots for 36 teams of two people, to register your team you can sign up at one of our events or email islandviewrecboard@gmail.com or text 306-718-7750. Cost is \$10 per team.

Watch the bulletin board, Island View Website, Island View Facebook page for information. If you or someone you know would like to volunteer for a shift working at our events please let us know. Teenagers welcome to work also, great volunteer hours towards high school Wellness class or Scholarship applications. Many hands make light work 😊
